Sub: MSME Vendor Invoice Processing Through TReDS Payment System

Dear Sir/Madam,

MOIL has implemented the Trade Receivable Discounting System (TReDS) through its registration with M/s. A.TREDS Limited having its invoice discounting platform called Invoicemart. TReDS is a digital platform that facilitates the financing of trade receivables for vendors. MSME Vendors, who wish to avail the early payment facility through TReDS need to register with this platform with necessary KYC and agreements.

To facilitate the MSME vendors, MOIL has introduced a mandatory radio button on the MOIL Vendor portal. Vendors are required to select or reject the TReDS payment system while submitting their invoices.

If the Vendor has chosen the TReDS payment system and the bill is deemed suitable for payment, the same shall be uploaded on Invoicemart to make it available for TReDS bidding process.

This is for your kind information.

With regards,

Jt. GM (Fin) – HOD
