A six-pronged strategy was announced to tide over the pandemic-induced 'health emergency' in Kerala and prepare it to fight against the possible third wave of the virus infection in future. Despite the State reeling under acute financial crisis, Finance Minister K N Balagopal opted not to impose any fresh taxes in his maiden Budget for the 2021-22 fiscal.

A first-time legislator, Balagopal said though the Budget

presented by his predecessor T M Thomas Isaac early this year was a comprehensive one, the Government came up with a 'revised Budget' now in view of the rapid spread of the coronavirus and concerns about its possible third wave. The Government was compelled to adopt a firm stance, 'health first' or "health above all" as its vision for development in the present circumstances, he said.

"A second COVID package of Rs 20,000 crore is announced now to address the health, social and economic challenges that are emerging against the back-

drop of the second wave," he said presenting the budget and vote on account.

Under the package, Rs 2,800 crore was earmarked to tackle the health emergency, while Rs 8,990 crore was set aside for direct disbursement to those in crisis after losing their livelihood, he said.

A total of Rs 8,300 crore outlay, under the package, was made to boost the economy by giving loans and interest subsidies to the needy.

The Budget allocated Rs 10 crore for the production of COVID-19 vaccine and its related research at the Institute of

THE Delhi High Court on Friday dismissed with a cost of Rs 20 lakh actress Juhi Chawla's lawsuit challenging 5G wireless network technology and said the plea was defective and filed for gaining publicity.

Justice J R Midha said the plaintiffs -- Chawla and 2 others -- have abused and misused the process of law and wasted court's time.

The court said the suit was filed to gain publicity which was clear as Chawla circulated the video conferencing link of the hearing on her social media account which resulted in repeated interruptions by unknown persons.

Another Class 12 student Hiteshwar Sharma from Haryana's Panchkula, who interacted with PM Modi, said, "PM sir asked how I was feeling after exams were cancelled. I told him that initially, I didn't feel good about but then I realised nothing is more important than health." Modi conducted a surprise interactive session with the students and their parents when he joined a virtual session organised by the Ministry of Education on Thursday. He heard the issues and concerns of the students and their parents and asked about their opinion about the cancellation of the class 12th examination in view of the pandemic.

Students and Parents thanked the PM for the cancellation of the class 12th CBSE exam and said it's a good decision.
